

**SCOPE Sponsored Meeting  
Palmyra VFW Post 6778  
April 10, 2024  
7:00 pm**

The public is invited to join us for an educational program about Article V of the U.S. Constitution and a Convention of States. This is about bringing power back to the states and *"We the People"*.

You will learn about a national movement of grassroots citizens who are fed up with business as usual in D.C. and support a convention under Article V of the U.S. Constitution. Our Founders provided a method for 34 states to call a convention to propose and ratify constitutional amendments that impact the federal government by: "Limiting its power and jurisdiction; Imposing fiscal restraints on it and Placing term limits on members of Congress, unelected bureaucrats and federal judiciaries".

Citizens are actively working in all fifty states to pass the Convention of States Action Resolution (COSA). Thus far, 19 states have passed the COSA Resolution. Additional states, including New York, have active legislation this year. Two states have passed the COSA Resolution in one chamber of their state legislature.

Grassroots patriots from all over the country are volunteering their time, talent and treasury to retake our constitutional rights as states and have our long-silenced voices heard. Educated citizens are sorely needed in this ever-pressing regard.

The meeting is open to the public and will begin @7 pm at the Palmyra VFW Post 6778, 4306 Route 31, Palmyra, NY 14522. The program presenter will be Thomas Dunning, a region team leader for Convention of States Action New York. This is an educational program sponsored by SCOPE of Wayne County.
